

MP 41170-01

CE₀₉ EU DECLARATION OF CONFORMITY

We hereby declare that the following equipment complies with the essential requirements of:

**The Low Voltage Directive 2006/95/EC
The EMC Directive 2004/108/EC**

Machine Description: Thermal Ink Jet Coding Printer
Type: P100-XX-XX-GBX-XX – Linx IJ200

Identification: From serial number YYJJNNNPWD onwards
Manufactured by: Linx Printing Technologies Ltd

This equipment has been designed and manufactured in accordance with the following harmonised European standards:

EN55022:1998(+A1/A2)	Information Technology Equipment Emissions
EN55024:1998(+A1/A2)	Information Technology Equipment Immunity
EN61000-3-2:2006	Limits for Harmonic Current Emissions
EN61000-3-3:1995	Limits of Voltage Changes, Fluctuation and Flicker
EN60950-1:2006	Electrical Safety – IT Equipment

A technical construction file for this equipment is retained at the manufacturer's address.

Signed:  Date: 9 December 2009

Name: Clive Roberts Position: Engineering Director

Being the responsible person appointed by the manufacturer established in the EU and employed by Linx Printing Technologies Ltd.
